Terms & Conditions

1. All prices listed in this quotation are in US Dollars (USD)
2. Prices are valid until 01/09/2026. The Trading Agency reserves the right to revise prices after this date without prior notice.
3. Prices include delivery to the Trading Agency's warehouse in Obour City. If the client requests delivery to the nearest port within the Arab Republic of Egypt, transportation will be at the client's expense after full payment of all dues.
4. The client has the right to inspect the products before packing, or to request detailed photos and videos of the products for approval prior to packing and shipping.
5. Packing and shipping procedures will commence after payment of the due installments according to the contract terms.
6. Prices do not include sea or air freight, insurance, customs duties, taxes, or any charges within the importer's country. These are fully borne by the client unless otherwise agreed.
7. Manufacturing and preparation lead time varies depending on quantities and models required, and will be determined upon order confirmation.
8. All products are manufactured according to the technical specifications approved by the Trading Agency, with the right to make any technical improvements or modifications that do not affect quality or use.
9. Any special modifications to dimensions, colors, materials, or finishes will be priced separately according to the client's request.
10. Order confirmation and payment of the agreed deposit constitute full acceptance of all terms and conditions stated in this quotation.
11. The Trading Agency offers manufacturing of custom designs and models for tourism and hospitality projects, according to approved engineering drawings and technical specifications, with the possibility of production tailored to each project's requirements.
12. The Trading Agency is pleased to cooperate with consultancy offices, engineering offices, and interior design companies to implement and furnish restaurants, cafes, hotels, resorts, and tourism projects to the highest standards of quality and professionalism.
13. The Trading Agency provides supply services for production materials to factories and workshops, including raw materials, accessories, operating supplies, and manufacturing components for furniture and for equipping restaurants, cafes, and hotels. Both local supply and export are available according to client needs.
14. The Trading Agency offers integrated solutions for manufacturing, supplying, and furnishing furniture for restaurants, cafes, hotels, resorts, and tourism projects, with a commitment to the highest standards of quality in manufacturing, finishing, and packing.

We look forward to building successful, long-term partnerships with our clients in Egypt and abroad. We value your trust in the Trading Agency as a specialized partner for manufacturing, supplying, and furnishing hospitality projects, with a commitment to the highest levels of quality and professionalism at every stage of implementation and supply.
